Will Australian Farmers close their gates as the push for electric vehicles and farm equipment destroy them financially?

Did You Know?

SAY NO TO SMART CITIES & DIGITAL ID

Smart Cities – You're Paying!

The Australian 'Nanny State' is about to become a taxpayer-funded open-prison as Smart Cities roll out - a Machiavellian dystopia. It is not about safety, public wellbeing or convenience, it's about **control**, **revenue**, and **data** as an economic commodity.

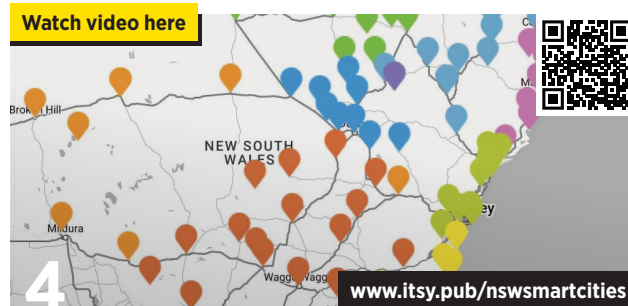

Smart City = A Controlled Habitat

The UN and WEF Smart Cities will be open prisons. It is expected that 70-90% of the world's population will live in Smart Cities on only 2% of the Earth's land mass. You will not be able to leave your designated precinct/zone without permission.

What to expect with Digital ID: Carbon credit allocations, a new digital and carbon economy, Climate lockdowns, carbon footprint track and trace, which equates to totalitarian control

Did you know that we are a part of the new Six Cities region incorporating the Lower Hunter, Greater Newcastle City, Central Coast City, Illawarra-Shoalhaven City, Western Parklands City, Central River City and Eastern Harbour City?

Digital ID or Digital Prison?

Digital ID & Smart City Tech, tracking and tracing your movements. Controlling the masses and removing freedoms from all individuals.

Smart Cities and the Globalist Agenda

Moving people out of suburban fringes into high-density housing in crowded Smart cities, all co-existing within these designated zones. While governments make money off your data. See the underlying dangers of Smart Cities...

Did you know that the Smart City plan has you walking or cycling to your destination?

Where demographics will determine your carbon credits, resource quotas for energy use, vehicles, travel, clothing and food.

Did you know that mind control and subliminal programming is used to influence your thoughts & behaviour?

Behavioural science is used by think tanks such as The Centre for Public Impact to advise Government on how to use language to coerce and persuade the masses.

The Big Questions that need answering about Smart Cities.
