Support services

Currently there are a range of local support service providers to assist people as they come off the Cashless Debit Card, volunteer for the CDC or move to enhanced Income Management including:

- emergency relief
- financial counselling services
- mental health services
- drug and alcohol rehabilitation
- additional family support services
- targeted youth services.

A Support Service Directory is now available which lists a range of services. You can view the support services directory information for your location below:

- [Ceduna and surrounding region: Support Services Directory](#)
- [East Kimberley region: Support Services Directory](#)
- [Goldfields region: Support Services Directory](#)
- [Bundaberg and Hervey Bay region: Support Services Directory](#)
- [National: Support Services Directory](#)

Support services directories for the Northern Territory and the Cape York and Doomadgee region, will be made available later this year.

Disability Gateway

The Disability Gateway is a free Australia-wide service to help people with disability, their families and carers find trusted information and services. To find out more information on how this service can support you:

- Visit www.disabilitygateway.gov.au ; or
- call 1800 643 787, available 8am to 8pm AEDT, Monday to Friday
