Say NO to the forcible takeover of Calvary Hospital...

... Don't let the ACT set a precedent for the rest of Australia!

Your help is needed to demand that the ACT Government abandon its plan to forcibly acquire Canberra's Calvary Hospital on 3 July.

The Catholic owned hospital has been a strong advocate for the sanctity of human life by conscientiously objecting to the provision of elective abortions and opposing the introduction of assisted suicide into the ACT.

This mandatory acquisition is a clear attack on religious institutions in the nation's capital.
